Dear Parents & Carers

I hope you all had an enjoyable half term break.

We had two groups of pupils away on school trips last week: a Geography trip to Iceland, and a History trip to London. There will be articles about the trips in a future Optime, but I just wanted to thank everyone involved for making them such a great success.

The benefits of school trips shouldn't be underestimated – they increase pupils' independence and confidence and contribute to a wider world perspective. Our pupils all had an incredible time away and we are proud of the way in which they represented the College. Looking ahead, we have the Chulmleigh Ten Tors 25-mile Challenge Walk 2 at the weekend. We have been overwhelmed by the number of Year 8 pupils who want to take part in this, and the resilience they showed on Walk 1.

Good luck to Year 11 who will be taking their mock GCSE speaking test this week, for the third occasion over the two-year GCSE course. I wish the very best to Year 11 Food Technology pupils who have their practical exam write up sessions. Next week we have our Scholar Assemblies for half term one, good luck to everyone and especially to Year 7 who have the chance to receive a Half Bronze award for the very first time.

Attendance

A big thank you to parents who make sure their children attend school regularly!

Your efforts, working in partnership with the school, will ensure that your child will have the best chance to achieve their academic potential and have real opportunity in further education and the world of work. It will also enable your child to:

- access the lessons needed to achieve their expected grades
- maintain friendships and develop new ones
- have access to social and sporting events offered by the school
- explore potential life skills
- develop work habits such as good punctuality which are essential to thrive in the world of employment

How does your child compare?

Attendance during one school year	equals this number of days absent	which is approximately this many weeks absent	which means this number of lessons missed
95%	9 days	2 weeks	50 lessons
90%	19 days	4 weeks	100 lessons
85%	29 days	6 weeks	150 lessons

College Pupils at Abbey Road Studios!

What an amazing day we had at Abbey Road Studios (the biggest and first recording studio in London) with Teachers Rock intergenerational choir of young people and adults. It was an early start on Saturday morning, but we enjoyed spending time on the 5-hour coach journey with our friends from other schools. The first thing we did when we arrived was to walk over the iconic zebra crossing, with a crowd of people watching our arrival - in person and at home - via the Abbey Road webcam. We certainly held up the traffic, with 80 people in one long line! We then headed into Studio 1 and spent 5 hours recording 7 tracks live in session for a new album. We all had individual headphones to wear, which was a new experience for us, so that we could hear the soloists and musical accompanists but also the sound engineers, who were a lot of fun. The favourite song that we recorded was 'Love Can Build a Bridge' which featured an awesome solo from Chanel who is in Year 6 at Chulmleigh Primary. We also had access to Studio 2 (where the Beatles recorded), as it was our bag room for the day! Other highlights of the day were

signing the iconic wall, despite the rain, and searching out memorabilia from famous people who have recorded at Abbey Road.

Can we just say a big thank you to Miss Kent, founder of Teachers Rock, for making it possible, it was a truly incredible experience!

LAMDA Availability

Due to last minute cancellations, I have some spaces available for LAMDA lessons that take place during the school day. LAMDA is an internationally recognised mark of excellence in the field of performing arts, and teaches children confidence and theatre skills, as well as an appreciation of theatre, poetry and Shakespeare (at higher levels).

The lessons take place during the school day with a carefully worked timetable.

Performance exams are undertaken twice a year, as well as performance evenings for the parents.

If your child is interested, they can partake in lessons on their own, or in a pair, and for further information, please contact me on awhittick@chulmleigh.devon.sch.uk.

After-school Drama Workshop

There are a few spaces for the after-school

drama workshop, which runs every Tuesday from 3.40pm to 5pm. This workshop develops performance skills, using the LAMDA syllabus, two drama games and one big performance each year, which we work towards. It requires a lot of dedication to line learning and weekly rehearsals. That is great fun and a real team-building experience.

If anyone is interested, please let me know as soon as possible as there are very few spaces.

Cost per session £6.50, seven sessions starting the first Tuesday after half term.

Please note that the after-school drama workshops are now open to Year 7.

All enquiries, please contact awhittick@chulmleigh.devon.sch.uk.

The performances are for parents and the public.

Shop & Give for the PTA

Shop & Give lets you raise free donations for Chulmleigh College PTA every time you shop online. [Register to support Chulmleigh College PTA](#) and help us raise as much as possible.

Name Labels on PE Kit

Please ensure that you name all items of school uniform, particularly PE kit. The PE Dept already has a vast amount of brand-new polo shirts and house rugby tops unclaimed, with no names in.

If buying from [Woven Labels UK](#) please use the code CHULMLEIGH at checkout, and our PFTA will receive 30% commission!
