

CHULMLEIGH ACADEMY TRUST

EDUCATIONAL VISITS POLICY

Approved: 5 June 2014

A Policy for the Management of Outdoor Education, Visits and Off-Site Activities

1. Introduction

This policy covers all off-site visits and activities organised through the Trust and for which the Board of Directors and headteacher are responsible.

The Board of Directors endorses the Devon County Council /Torbay Council policy document “Outdoor Education, Visits and Off-Site Activities Health and Safety Policy 2014” as the basis for the Trust’s health and safety policy for the management of visits and off-site activities.

The Board of Directors seeks to ensure that every pupil has access to a wide range of educational experiences as an entitlement. As part of this entitlement the Board of Directors recognises the significant educational value of visits and activities which take place away from the immediate school environment.

The Board of Directors aims to enable the schools in the Trust to become educational environments in which all members of the school community can thrive, regardless of race, religion, culture, gender or individual need. We intend to apply this aim to the planning and management of all visits and off-site activities.

Visits and off-site activities support, enrich and extend the curriculum in many subject areas, encourage co-operation, team work and the application of problem solving skills and develop independence and self-confidence.

Residential opportunities, physical challenge and adventure can have a particular part to play in the development of personal and social qualities for all young people. Outdoor education helps young people to be physically active and to understand how to assess and manage risk.

The management of visits and off-site activities places particular responsibilities for the health, safety and welfare of all participants on the Board of Directors, Executive Headteacher, the party leader, members of staff and volunteers, pupils and parents. The school also has responsibilities to other members of the public and to third parties. This policy on visits and off-site activities therefore complements the wider Trust health and safety policy.

It is a priority of this school that all visits and off-site activities are safe, well-managed and educationally beneficial.

2. Responsibilities of the Executive Headteacher

The Executive Headteacher will:

- ensure all visits and off-site activities have specific and appropriate educational objectives
- approve all visits and activities, based on compliance with the council and school health and safety policy, relevant Devon County Council /Torbay Council guidance and recognised good practice;
- ensure off-site programmes are led by competent staff who are appropriately experienced to assess the risks , manage the activity and manage the specific group;

- check that the staffing ratio is suitable for each visit;
- ensure party leaders have access to a planning checklist, based on the Devon /Torbay policy, and adapted as necessary to meet the particular needs of the school;
- check that risks have been assessed, significant risks recorded and any appropriate safety measures are in place.

3. Responsibilities of the Educational Visits Co-ordinator

In order to carry out the above responsibilities effectively the Executive Headteacher may delegate specified tasks to a suitably experienced and competent Educational Visits Co-ordinator (EVC). The Executive Headteacher will be considered to be the EVC where tasks are not delegated to a named member of staff. The EVC will be responsible for carrying out agreed tasks and attending relevant training provided by the Council.

Name of EVC: Adrian Wade

4. Approval of off-site activities

The Executive Headteacher will be responsible for approving all off-site activities. This includes approving the party leader for each visit or off-site activity.

Approval of visits is the responsibility of the Executive Headteacher.

An Evolve visit form will be completed for all off-site visits. For the avoidance of doubt, visits by pupils of one of the Trust's schools to another school forming part of Chulmleigh Academy Trust are not 'off-site'.

The Evolve visit form for the following types of visit will be sent, via Evolve, to the Adviser for Outdoor Education for endorsement.

- hazardous outdoor and adventurous activities (except those taking place at Babcock LDP outdoor and residential centres) (Category B activities);
- visits abroad (Category C activities);
- activities where there is significant concern about health, safety and welfare (Category C activities).

The Executive Headteacher will monitor off-site visits and activities and will provide a regular report to the Board of Directors about the off-site activities which have taken place from the school.

5. Responsibilities of the party / visit leader

The party / visit leader will:

- have overall responsibility for the supervision and conduct of the visit or activity;
- obtain the Executive Headteacher's approval before any off-site visit or activity takes place;
- follow policy and procedures of Devon County Council and the Trust;
- assess the risks involved and amend as appropriate any previously recorded risk assessment;
- use the school planning checklist to ensure all procedures have been followed;

- ensure form SOE5 from the policy is completed (or a previously completed form is on Evolve) where commercial, charitable or private providers are being used for adventurous or residential activities;
- inform parents fully about the visit and gain their consent, where appropriate;
- re-assess risks while the visit or activity takes place;
- ensure there is a contingency plan (Plan B) should a significant change to the programme be necessary due to weather etc.

6. Responsibilities of additional members of staff taking part in visits and off-site activities

Members of staff, volunteers and parent helpers should:

- Assist the party leader to ensure the health, safety and welfare of young people on the visit;
- Be clear about their roles and responsibilities whilst taking part in a visit or activity.

7. Responsibilities of pupils

Whilst taking part in off-site activities pupils also have responsibilities about which they should be made aware by the party leader or other members of staff, for their own health and safety and that of the group. Young people should:

- Avoid unnecessary risks;
- Follow instructions of the party leader and other members of staff;
- Behave sensibly, keeping to any agreed code of conduct;
- Inform a member of staff of significant hazards.

8. Responsibilities of parents

Parents have an important role in deciding whether any visit or off-site activity is suitable for their child. Subject to their agreement to the activity parents should:

- support the application of any agreed code of conduct;
- inform the party leader about any medical, psychological or physical condition relevant to the visit;
- provide an emergency contact number;
- sign the consent form.

9. The provision of training and information

A copy of this policy and associated school procedures will be made available to all staff within the school who may be responsible for leading off-site visits and activities and to any parent requesting a copy.

The Executive Headteacher will make additional information available to staff to help ensure the safe management of off-site activities, including the Devon /Torbay policy statement "Outdoor Education, Visits and Off-Site Activities" and access to the Devon LDP website: www.babcock-education.co.uk/ldp

Appropriate training will be made available to leaders and other adults taking part in off-site activities in order to reflect identified school health and safety priorities and educational priorities.

The Executive Headteacher will ensure that a record of the qualifications held by staff and volunteers involved in outdoor activities including first aid, life-saving, mini-bus driving and specific hazardous activities is maintained.

10. Action in the case of emergency

The Executive Headteacher will ensure that emergency arrangements are in place, known to staff and in line with Devon County Council policy, to cover the range of activities undertaken by the Trust and the times at which they take place. This will include a minimum of two emergency contact numbers for designated senior members of staff or the Board of Directors out-of hours. First aid provision and training of staff will be in accordance with good practice.

11. Accidents and incidents

Any accidents and incidents that occur during off-site visits and activities will be reported and recorded in accordance with the school health and safety policy. Accidents and incidents will subsequently be reviewed within the Trust to identify any learning points.

12. Monitoring and review policy and practice

The Directors will review this policy:

- Every two years
- At such time as there are significant changes to guidance on the management of Outdoor Education, Visits and Off-Site Activities
- Should significant issues be brought to the attention of the Directors through the report of the Executive Headteacher.
