

Year 10 – The Junior Guild

At the end of Year 9 pupils move from their House tutor group and enter into the Junior Guild.

Guild time is the 30-minute period every day from 3:10pm until 3:40pm.

In Year 10 the pupils are in mixed groups. The weekly diet of Guild time in Year 10 consists of: Maths Workbooks, Assembly, Accelerated Reader, Silent Study, Tutor-led activities.

Year 10 is when we begin to see the pupils mature and show a real focus on academic achievement. Our expectation is that throughout Year 10 they will develop independence and responsibility for their progress. Being organised, communicating with staff, cooperating with each other and seeking home support to raise their own standards, is paramount to instil success.
