7th January 2021

Dear Parent(s)/Carer(s) & Pupils

Remote Learning/Microsoft Teams

I would like to start by thanking you for the fantastic engagement and commitment you are showing to your education at this time and take this opportunity to share with you some information regarding our remote learning offer.

As you will be aware, the attempt to deliver the whole school assembly yesterday was unsuccessful and I am sorry that this was not delivered in the way that we intended.

We will be inviting all pupils to the Inaugural Chulmleigh College live event at 15:10 on Friday 8th January. All pupils will receive an invite and link to the event via their College email account as well as via ClassCharts, with guidance on how to join. If they use ClassCharts to access the link, they will be asked to log in to Teams, using their normal username and login for emails.

To enable us to begin our live remote learning offer from the week beginning 11th January, we have set up virtual classes using Microsoft Teams. Pupils will be receiving emails to notify them that they have been allocated to a class. Pupils do not need to do anything at this time. All pupils, parents and carers will receive guidance on how to join the live lessons – again, this will be sent via College email accounts and ClassCharts with the required guidance.

As a school, we will be constantly reviewing our remote learning offer to ensure that the education all young people at Chulmleigh College receive continues to be the very best it can be.

Your ongoing support is very much appreciated and, as always, please do not hesitate to contact us if you have any queries.

Yours faithfully

Laura Mackie
