Geographical Skills and Fieldwork

- Label an aerial view picture of your classroom to show where everything is.
- Label an aerial view floor plan of the school
- Write instructions about how to get from your classroom to the school hall.
- Study the geography of the school and its grounds and the key human and physical features of its surroundings
- Use Google Maps - locate where you live and draw your route to school over the roads seen.
- Find the location of your home in relation to the school using Google Maps

Can you find the following in the aerial view photograph?

- The car park outside the parish hall
- The field
- The Old school house
- Our classroom
- The playground

What will I do?

- What the route from my classroom to other areas of the school looks like on a floor plan.
- What the school looks like from above and what the surrounding grounds look like.
- What the route from home to school looks like on a map.
- How to give instructions on how to get from one place to another– using positional language.
- How to draw a simple map of a familiar area, using a simple key.
