

History

Learning about the rulers and leaders of Roman Britain. We'll be studying the growth of the Roman Empire, who the leaders were and what happened to them. We'll also learn about what the Romans did for us.

Outdoor Education

We'll be linking to PSHE and Keeping safe by learning about fire building & safety.

PE- Tennis

Working on forehands, backhands, volleys and serves. Then moving on to understanding the rules of the game and concluding by competing in class games.

ICT- Computer Science

Designing algorithms using 'then' and 'if' statements on Scratch. Design and write programs that show more complex coding structures such as selection and repetition. Debug programs to identify errors in code and correct them.
To expand their program knowledge by including variables to achieve specific goals.

Music- Glockenspiel

Musical Activities using glockenspiels. We shall learn more complex rhythm patterns, compose and play as a performance.

Maths

Concluding Division

- *Divide 2 digits by 1 digit.
- *Correspondence word problems related to multiplication and division facts learnt.

Fractions

- Starting with what is a fraction?
- *Tenths & counting in tenths
 - *Equivalent fractions
 - *Counting, comparing and ordering fractions
 - *Adding fractions
 - *Subtracting fractions
 - *Subtracting fractions from a whole
 - *Fractions of numbers and objects
 - *Problem solving- calculating quantities

Decimals

- Starting with recognising tenths and hundredths
- *Tenths and hundredths as decimals
 - *Divide 1 & 2 digits by 10 and 100
 - *Making a whole
 - *Writing, comparing and ordering decimals
 - *Rounding decimals
 - *Halves & quarters

Money (measures)

- *Converting between pounds and pence
- *Ordering & estimating money
- *Using the four operations to solve money problems

Year 4 Summer Term 1 Rulers & Leaders

PSHE

Keeping Safe- Medicines and household products that can be harmful.
Physical health and Mental wellbeing- Maintaining a balanced lifestyle.

DT- Shield designing linking to our History lessons about the Romans.

Art- Artist: Andy Warhol
Printing repeating designs on our shields using two colour overlays.

MFL (continued from Spring) Months of the year and the definite article: le, la, l', les.

Science

This half term we'll be learning about **Animals including humans: teeth & the digestive system**. We shall learn to identify the different types of teeth and their functions. Linking to PSHE and oral hygiene and dental care. As well as learning about the organs used in the digestive system and making our own physical system to explore!

RE After learning about Christianity in autumn, and Judaism in spring, we shall now focus on a comparison between the two.

English

Poetry- we shall start the term by writing onomatopoeic poetry using repetition.
Non-fiction- then we shall write fact files linking to History and the Roman Rulers we've learnt.
Fiction- finishing the half term by writing explanation texts and creating persuasive adverts linking to History and the invasion of Europe.
Spellings- Reviewing, testing and setting new non-negotiable word lists. We'll review the long vowel sounds OR and EAR and finishing the half term by recapping any unfamiliar phonemes the children choose.
Grammar- Recapping our prior knowledge of noun phrases expanded by the addition of modifying adjectives, nouns and preposition phrases.
