Dear Parents & Carers

This week we are conducting Year 9 Option interviews, and these will be followed by the Year 9 Parents Evening. We're looking forward to that.

It is a highlight to get the chance to talk to pupils about their aspirations and we all get reminded that school and GCSEs offer young people the chance to acquire the credentials they need for the future.

It is overwhelmingly obvious that our pupils understand that and expect to do well at Chulmleigh. They have dreams but also understand that dreams need to be backed up with hard work. Well done Year 9!

The validated exam data from 2023 has now been released and I am delighted to say that for the ninth consecutive year Chulmleigh have across-

the-board consistency, making us one of the top performing state comprehensive schools in England, and well within the top 50 for the most demanding EBacc progress measure. Our current Year 11s are set to continue this trajectory.

This is great news for the Academy and ensures that children from our partner primary schools: Lapford, East Worlington and Chulmleigh (who get priority admission for a place here at Chulmleigh College) receive an educational experience from the age of two, which leads to these stand out results.

With best wishes,

Michael Johnson, Executive Headteacher

Devon Schools Open Badminton Tournament

On Tuesday 21st February Chulmleigh pupils competed in the Devon Schools open badminton tournament. A great display of badminton by Year 9s and Year 10s. We had success with the Year 9 girls and boys both coming first. Year 10s had some tough competition from county players but put up a good contest. Schools attending were Pilton, Park, Tiverton, Maynard and Tavistock.

A Year 9 Close Shave

The Year 9 Chulmleigh rugby team recently played their first match of the season at Braunton. With Braunton being a renowned tough opposition, we knew that this was going to be a hard game. With Glen Thorne as captain, he led the team to be the first on the score board with a great carry from the back of a ruck, Glen smashed it down. Braunton came back quickly and equalised within 5 minutes, kicking the ball long and Chulmleigh unable to scramble their defence quick enough. Braunton then added to their score with another try in the corner from some efficient passing and another just before half time. Chulmleigh knew what they needed to do and in attack looked dangerous. Half time kick off saw Oliver Woodman pressurising the full back from the long kick off and getting our second try. Yet again Braunton came back with another try, utilising our scattered defence. Ben Venter managed to get over the try line from a string of phases that saw Chulmleigh comfortable in attack. Unfortunately, Braunton came back with 2 more tries and 1 conversion resulting the game in 15-27.

This game was a close call and with some reviewing and training Chulmleigh can use this as a good base to play the next match. Player debuts from Callum Lee and Rory Pratt who may have caught the rugby bug! Player of the match goes to Oliver Woodman for his tenacious defence and turn overs.

Year 10 Rugby - Only Chulmleigh Play Best When Given the Worst Weather Conditions!

Thursday 8th February, Chulmleigh Year 10s hosted Braunton to the wettest conditions seen in history. The pitches were struggling to cope with the use and weather but the torrential rain that came at 2.30pm that day took it to another level! Braunton won the toss and chose downhill, giving them the advantage to start. Charlie Broomfield; the captain, soon realised as he kicked off and the ball hit the ground and stopped, that this was not going to be a kicking game! Considering the conditions, Chulmleigh held their scrums and fought well with Braunton coach commenting at the end on what a powerful pack we had. The mud bath became our equaliser and Braunton were not able to play their style of rugby that put 50 points on us last season. Braunton managed to score 3 converted tries in the first half with Chulmleigh making life hard for them but they spread their attack out and slid past us.

Unfortunately, 10 minutes into the second half, the pitch became unusable with too much surface water to justify a safe environment and the whistle was called. This was a real shame as Chulmleigh were not able to have the advantage of the mud slide going downhill and proving that this year's team has improved remarkably since last season. This also meant our debut players; Theo Runeckles-Smith, Toby Sullivan-Roberts and Noah McLaughlin-Mills couldn't get their teeth into the game after spending the first half freezing on the bench – don't worry boys, your time will come!

Player of the match goes jointly to Riley Jones and Oliver Webber. Riley for his consistent attacking game and always opening up a gap through his pace or his off loads. Oliver for his improvement in the game, having only ever played two games, he has become one to watch and needs to find himself a club to hone those skills!

Cost of Living Help

Devon County Council has put together a special edition of their [Connect Me newsletter](#), with information for those facing difficult financial decisions due to cost of living issues.

Getting too big for your boots..?

Do you have any old but serviceable equipment you'd be willing to donate for the use of our pupils? Getting kitted out for conditions on Dartmoor isn't cheap, and we want to make sure that every child who wants to take part in these activities is able to do so, whatever their circumstances. You can help that to happen.

If you have any outgrown boots, spare rucksacks gathering dust, waterproof jackets that are now too small, anything like that, please consider donating them to us. We want to ensure that no child decides not to get involved because of the cost. If you have anything you'd be willing to donate, please email us at OutdoorEd@chulmleigh.devon.sch.uk. Thank you!
