2. Previous minutes

3. Matters arising

BV has a lot in petty cash at school

NP - need to put a request out to parents to provide secondhand uniform

BV - we are usually inundated on exam results day but a text to parents to remind them would be great

Action - BV to speak to CD about text to parents

CW queried in the last minutes about contacting churches for uniform

4. Chairperson's report

AE thanked BV for all the work with the uniform

We should continue to do refreshments and uniforms at events as this works well

Cake donations are less than previously - seems to be the same people baking all the time. We can try and work on that again, particularly with yr 7 parents.

NP - will do settling into yr 7 meetings again so can mention it there, do a promotion of the PTFA

NP queried if anyone else at school could be asked to join the PTFA

BV was aware of a few teachers who are parents who could be persuaded

Successful coffee morning. Thanks to all of those who helped, particularly BV's Aunty Mary

Woven labels - unclear what this has raised but need to push this again to parents as it raises money

Year 11 prom - great fun and a good night. PTFA up for doing it again.

NP - some staff would have liked alcohol to be served. This may be considered for future.
