Sports Day - Tug of War!

Dear Parents and Carers

Thank you to the PE Department for putting together another great Sports Day. As usual, pupils showed great tenacity and ambition which was combined with very impressive sporting ability. There will be more on this in next week's Optime

Well done to Year 9 Awards Evening participants last night. We are extremely pleased with the way Year 9 are transitioning into Year 10.

This has been another week where the levels of ambition and tenacity in the College have shone through strongly.

Michael Johnson

Mr Johnson, Executive Headteacher

Year 9 Presentation Evening

Our congratulations to Year 9 on the occasion of their annual Awards Evening.

Teachers at the school were delighted to welcome parents of children identified and celebrated for achievements in individual subject areas, contributions to wider school life and embodying the stated values of Chulmleigh College – Compassion, Ambition, Teamwork.

This Year 9 cohort have impressed staff since they joined in Year 7 and we continue to be excited and inspired by their successes and achievements.

Well done to everyone receiving awards.

Mr Payne, Deputy Executive Headteacher

We were delighted to welcome senior councillors from Devon County Council today who were visiting on a fact finding visit. One of the highlights was listening to our pupils explain the benefits of reading. We all consider this to be a foundation stone of our success.

I would like to thank Councillor Brazil and his team for the genuine interest shown in the College, for the great questions and their obvious passion for making sure Devon County Council can offer the best possible service to our rurally sparse community with it's unique successes. We have the natural advantage of living in the best part of the county and Westcountry but also severe challenges in terms of difficulties in being able to access services and officers that are available in other parts of the county

Mr Johnson, Executive Headteacher

Chicken Run

At the heart of our Animal Care Programme, something exciting is taking shape—quite literally! Our dedicated Year 10 Animal Care pupils have rolled up their sleeves and begun constructing a spacious, covered chicken enclosure. This thoughtfully designed structure will allow our chickens to enjoy extended outdoor time through the colder winter months while staying safe and sheltered.

The project began this week with pupils taking the reins on the initial build. It's been a hive of activity as they measured, cut, and assembled the framework, showcasing not just practical skills but real teamwork and enthusiasm.

Next week brings the final flourish! Pupils will be adding cladding to the roof, securing mesh siding, and integrating the new enclosure with the existing coop.

It's a fantastic example of hands-on learning in action, and we're proud to see our pupils getting hands on experience in all aspects of animal care.

Mrs Sterland, Head of Science

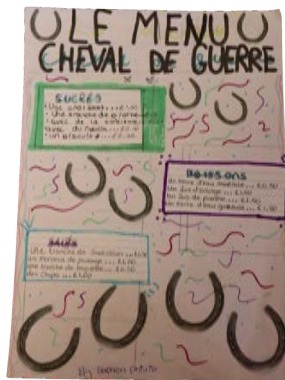

Year 10 pupils: Grace Tapscott, Harriet Buckell, Charlotte Dallyn and Olivia Perry

French Cafe

Bienvenue au café!

In celebration of their hard work on food and drink this term, 9H experienced what it's like to be in a French café. They created their own menus, and everyone got the chance to work in the café, as well as being the customer, all in French of course. The croissants with Nutella were the most popular choice but well done to those who were feeling adventurous and sampled a bit of French cheese with baguette, saucisson and a cornichon or two. It was also great to see the students in a mock professional setting- we have some potential waiters and waitresses, maybe even café owners! Bravo 9H.

Mrs Payne, Teacher of French

Year 7 have been looking at Neo Romantic landscape painters such as Paul Nash, Graham Sutherland and John Piper. They have explored how to achieve depth and distance within a landscape, using 'leading lines' and aerial perspective to make a set of charcoal drawings around the school site. Year 7 then went on to look at more contemporary landscape painters such as Kerry Harding and Charlotte Brisland, in order to make some emotive landscapes using dried pigment, watercolour and oil pastels. They use their own reference images alongside images of Dartmoor to create imaginative landscapes based partly on real places and partly on imaginative and emotive colour choices. Some of these landscapes are silent and eerie, whilst others are hot and places to visit on holiday! Choosing which works to photograph for Optime is always so hard as there are, as always, too many amazing artists in Year 7 to choose from!! The beautiful landscape studies you can see here are by 7E: Lilia Casavieille-Lacaze, Etta McBride, Lucy Howarth, Katy Lewis, Dexter Luxton, Thomas Lassam, Harry Dunn, Lawson Ward, Ava Redstone, Violet Lamport, Bradley Haines and Chanel Hendrie.

Miss Wilson, Teacher of Art

On Tuesday 24 June my class (7V) went to the Little Dart River Trip in period 1 and 2. We went to find out many interesting things like the speed of flow, width and depth of the river channel. Everyone found it fascinating discovering many different features and processes of the river. We found things like the angle of the slope of the river valley- it was very steep! Overall, we found out many facts about the river and collected lots of data to use in future lessons. Thank you to Mr Stevens for planning the trip and Mrs Lee for helping.

On Wednesday 9 July pupils from Chulmleigh College were keen to raise money for Children's Hospice South West by taking part in a special fundraising event. Pupils are showed their support by wearing wellies or trainers to school and making a donation to this wonderful charity. Children's Hospice South West (CHSW) is a charity dedicated to providing specialist care and support for children with life-limiting conditions and their families. The charity operates three hospices across the South West and provides a safe, comforting environment where families can access respite care, emergency support, end of life care, and bereavement support. CHSW relies heavily on donations and fundraising to continue its vital work, ensuring families can make precious memories together in the most challenging of times. We are proud to be supporting such a worthy cause today, thank you to those who have donated.

Photography Competition

Everyone at Chulmleigh School will be living within easy reach of the North Devon UNESCO Biosphere. We would like to offer them the chance to let us know what they love about the environment that their school is situated in.

Winners will have their work exhibited at a special display at Barnstaple Museum next year.

We'd love for LOADS of pupils to enter this competition. If there are any children who would like to enter but have no phone then please get in touch with me (I work for North Devon Biosphere) and we can arrange for them to borrow a camera. Otherwise any camera will do including obviously phones.

Any other queries please contact Amy Roberts 07967 602883

Year Daniel Rhodes was recently presented with his BTEC Level 1 in Teamwork, Personal Skills and Citizenship, which he achieved through the Cadet Vocational College as part of his Sea Cadet training. He also received his Paddlesports 'Explore Award' (his second kayaking qualification) on the same night and was lucky enough to receive these awards from the Area Officer who happened to be in attendance that night for a unit inspection. Daniel also recently achieved his 'Offshore Hand One - Square Rig' award having participated in a week-long voyage aboard one of the Sea Cadets training ships, sailing around the south coast of Devon.

Our congratulations to pupil alumni, Jessie Hampson for winning an award at Exeter College's annual Academic Awards evening this week.

Jessie was an outstanding pupil at Chulmleigh and we are delighted to see her continuing to shine at Exeter College.

**Thank
you**

Thank you all for your incredible generosity in donating school uniform. Thanks to your kind contributions, we successfully raised £1,100 by selling second-hand uniforms at the recent Year 7 Welcome Evening.

This remarkable achievement not only supports our school community but also fosters a spirit of sustainability by giving these uniforms a new life. Your support makes a significant difference, and we are truly grateful for your involvement in this initiative.
