13 March 2026

## Dear Parents and Guardians

As we reach the halfway point of this half term, we reflect on a very busy week at the College.

One of the highlights of the week has undoubtedly been the Year 9 Options Interviews. There is always a sense of excitement when pupils begin to think about tailoring their curriculum for GCSE study – a very special time for our pupils as they transition to Key Stage Four and begin studying for their first qualifications. Now that pupils have made their initial choices, each child has been interviewed to discuss their decisions and ensure that their choices are suitable and that they will succeed. Staff were also pleased to hear about the Year 9 pupils' ambitions for the future and their preparation for Year 10. These face-to-face interviews are a fantastic opportunity for us to listen to our pupils in Year 9.

Pupils in Years 7–9 enjoyed Focus Days on Friday, concentrating on the careers element of the national curriculum. We have been delighted to welcome some excellent speakers to the school to work with our children, including a certain Charlotte Webber, previously a pupil of this school, who returned to discuss careers in law. It is always a real joy to see pupils return to the school having been successful and wishing to give something back. I would also like to extend our sincere thanks to all of the speakers who generously gave their time to visit the school and inspire our pupils.

I also personally enjoyed speaking to Year 10 on Friday as they prepare for their early-entry Religious Studies examination in May. Year 10 pupils have a great opportunity to gain an early GCSE a year ahead of schedule and to focus on achieving a high grade in Religious Studies. We eagerly anticipate how well they will do this summer, and it has been a privilege to play a role in their preparations.

Have a good week.

Mr Payne, Headteacher

Chulmleigh Academy Trust is entering an exciting new chapter. As we establish Local Governing Boards across our four schools, we are creating new opportunities for people in our community to help shape the future of education.

This is more than a volunteer role. It is an opportunity to influence strategy, support leadership, champion our values, and ensure every child thrives. We are building strong, skilled, diverse governing boards that reflect and serve our communities. If you care about education, want to make a meaningful difference, and are ready to contribute your experience and perspective, we would love to hear from you! For further information please follow this link: <https://tinyurl.com/847d3cr3>

## SHAPE THE FUTURE

## BECOME A GOVERNOR!

On Friday 13<sup>th</sup> March, we welcomed a number of parents and members of the local community to Chumleigh College to present on a wide range of careers to our pupils in Years 7 and 9. Pupils got to find out about the routes into the career, what a typical day in the life is for the job and what attributes might be beneficial to them if they were interested in this career in the future.

The pupils found the sessions really engaging and were enthusiastic to find out who their next speaker would be. In addition, we were also able to offer a smaller session for our Year 11 pupils at the end of the day, to ask questions about the world of law.

We are so appreciative of the time and effort given by the parents and community - these days are so powerful in informing our pupils about where their education could take them and are a powerful tool in raising aspirations. We hope that this becomes a yearly occurrence at Chumleigh, as part of our wider Careers Offer.

Ms Thorncroft, Deputy Headteacher

# Year 9

## Year 9 Options Interviews

Senior staff at the College spent the day on Thursday meeting with each Year 9 pupil in the school to conduct Options Interviews. Pupils have just been asked to select the optional courses that form their programme of study in Year 10 and 11 and lead to GCSE qualifications. Each pupil then meets a senior member of staff to discuss the options, their suitability for each one and discuss how they will approach Year 10.

It is always such a positive experience meeting with our pupils and hearing about their ambition – we have very high hopes for all they will achieve at the end of Year 11.

## Year 10 GCSE Religious Studies Revision Session

Year 10 pupils came together in Heywood Hall this afternoon for a Paper 1 Booster session led by Mrs Payne and Mr Payne. Our Year 10 pupils will sit the GCSE in Religious Studies this summer, a year before their other examinations. This early entry not only gives them a great opportunity to prepare and focus on one single GCSE but is excellent preparation for the busy exam series of Year 11. By experiencing the exam environment and revision required for a full GCSE course, they will have such a clear idea of what to expect in Year 11.

As always, the attention and conduct of Year 10 was excellent in the hall. We are highly optimistic for what they will achieve this summer in their early GCSE Religious Studies examination.

## Sustainable Chulmleigh

On Sunday 1<sup>st</sup> March, we enjoyed a great afternoon with Sustainable Chulmleigh building bird boxes and hedgehog homes to distribute in our local area. It was a positive community event held in the town hall and an eager band of volunteers managed to build 30 boxes, stopping only for tea and delicious homemade cake!

Chulmleigh College Design and Technology department were able to help, cutting the wood down into kits ready for assembly meaning the boxes were easier for novices like me to build (I did still manage to put one together back to front, but we don't talk about that).

The boxes will help to provide homes for pied flycatchers at a local rewilding project.

Mr Tillings, D&T Technician &  
Mrs Tillings, SEN & Transition Officer

## Head Boy Olly Finney Celebrates Another 10 Mile Time Trial Victory

We are delighted to share the fantastic news that Head Boy Olly Finney has continued his impressive run of form in competitive cycling. Last weekend, Olly travelled to Cornwall for his second 10-mile time trial—and once again delivered an outstanding performance.

Despite an extremely early 5am start from North Devon, Olly showed remarkable determination and focus on race day. His efforts paid off as he secured first place in the youth category, marking his second consecutive victory at this distance after also winning his previous event.

Even more impressively, Olly finished 7<sup>th</sup> overall in the open age category, competing against experienced adult riders. Achieving such a strong position in the broader field highlights not only his dedication to training but also his growing reputation as a talented young cyclist.

Balancing the responsibilities of being Head Boy alongside a demanding training and racing schedule is no small feat, and Olly continues to represent the school with exceptional commitment and sportsmanship. Congratulations to Olly on another brilliant result—we look forward to hearing about many more successes in the months ahead.

### Physical Education Rising Star Award

If you are currently competing at a high level outside of school, we would love to hear from you. Have you represented your county, region, or area? Are you part of an academy pathway that could lead beyond club level?

We are keen to identify pupils in any sport who are performing above club level and would like to showcase their success through the Rising Stars programme. If this is you, or you would like to nominate someone who you feel deserves this recognition, then please follow this link to complete the online application:

[PE Department: Rising Star Application](#)

Physical Education Department	
 	
Name	Mr Payne
Sport	Running
Achievement in Sport	10 K
Proudest Moment	3 <sup>rd</sup> place 100m at primary school
Role Model	Kevin Hill (Torquay United)
Sporting Goal	To run a marathon

# Year 11 Fundraiser

We would welcome any donations of bake goodies or raffle prizes. These may be delivered to Chulmleigh College reception on Friday 20<sup>th</sup> March, or to Chulmleigh Town Hall on the morning of Saturday 21<sup>st</sup> March. Thank you for your support!

## Chatty Chulms Podcast – A Half-Term of Inspiring Conversations!

It's not too late to enter the ChattyChulms Competition, so be sure to listen to the podcast to find out what it involves and how you can win.

It has been fantastic to speak with a range of people from all year groups this half term, and we hope to do the same in the next episode of ChattyChulms. If you would like to take part in the next podcast, please email [ChattyChulms@catmail.org](mailto:ChattyChulms@catmail.org).

## Pi Day

Pi day falls on the 14th March each year as it is the third month (3) and the 14th day (14) so 3.14.

This year we will be running a mini competition in Maths lessons to see who can recite the most digits of Pi.

If you would like to try to win a prize, try to memorise as many as possible.

Here are the first two hundred digits:

3.1415926535 8979323846 2643383279 5028841971 6939937510 5820974944 5923078164 0628620899

We are delighted to celebrate the fantastic outcome of our recent Ofsted inspection at Early Worlies Nursery!

Our recent Ofsted inspection recognises the warm, nurturing and high-quality environment our team provides for every child.

The report highlights how “children acquire age and stage appropriate skills across all areas of learning and development, ensuring they are well prepared for subsequent educational phases.” It also recognises the calm and caring atmosphere at the nursery, noting that “leaders and staff have high expectations for children’s behaviour and attitudes to learning... creating a calm, caring and positive environment.”

Ofsted also praised the strong relationships at the heart of our setting, stating that “staff create a warm and welcoming environment, where children feel safe, included and valued.”

We are incredibly proud of our dedicated team and grateful to the families who work so closely with us every day. Together, we continue to create a place where children feel confident, curious and excited to learn.

Thank you to everyone who is part of the Early Worlies community!

To read the full report please click [here](#).

**Occasional Holidays** ■

Two days selected from within the term dates to be determined by the Board of Directors

## School Lunches - Information for Pupils and Parents

- Should a pupil not have enough funds on their account, they should visit the Pupil Support Office before going to the canteen, where they should obtain a meal slip.
- Pupils are able to check their account balances using the machines located at the entrances to the canteen.
- All free school meal (FSM) pupils have accounts topped up daily with £2.61. This credit does not show when you check your balance on the fingerprint machines but will show up on the tills. If you have debt, this is on your personal account and not your FSM account and will need to be paid off by parents at some point. It does mean that all FSM pupils have £2.61 to spend every day whether their personal account is in debt or not.
- If pupils are not set up with fingerprint access, or if it is not working, please go to reception.
- We would also like to remind parents and carers that pupils eligible for free school meals may eat at both breaktime and lunchtime within their allowance. A breakfast option is available at breaktime (two slices of toast with a topping or a bowl of cereal) for 41p, leaving sufficient balance for a main meal, pasta dish, sandwich, or similar option at lunchtime.
- Parents may check which meals their children are purchasing by going to the MyEd app. Select accounts (bottom right of screen), select the month and then select the day of purchase that you want to check.
- The full menu and price list is available on the College website and in Optime.
- We kindly ask that you ensure your child's account is topped up regularly to avoid any inconvenience.
