Year 11 Leavers

Dear Parents and Guardians

It has been a time of reflection at the College as our Year 11 pupils reach their final day of their secondary education. Our pupils stay with us for five years, and young people grow up and change so much during this time. It is always a privilege to walk this journey with our pupils and their families. We are very proud of the young people they have become and the adults they will be. I myself reflect on this year group as one whose transition was affected by COVID, and I well remember the extra transition activities we put in place during the summer holidays for them in that now thankfully distant and difficult time. Here we are, five years later, and they are ready for the next phase of their education, embarking on a transition to post-16 education or training and standing on the cusp of adulthood. This edition of Optime offers a pictorial tribute to their last day in school and we look forward to the celebration events that are still to come. I do want to record how well they have acquitted themselves in the examination halls and rooms this summer, and I am excited to receive their results in August.

I wrote last week about how busy the schedule is for Year 10 at this time of year, and today marks the end of their French Speaking Mocks. Following the English Speaking Endorsement last week, Year 10 have been set a challenging slate of activities to prepare for, with their own full mock examination series set to begin on Tuesday next week. We all wish Year 10 well and expect to be impressed by what they achieve.

This weekend, Bronze Duke of Edinburgh Award pupils have braved the elements as part of the expedition section of their assessment. My thanks, as always, go to Mr Foster and his team for giving up their time and weekend to provide this opportunity for the pupils. Outdoor Education is such a valuable opportunity for our pupils, and we see so much growth and resilience gained through experiences such as these. Alongside our well-known academic offer and outcomes, I am pleased that we can provide opportunities like this.

Last Wednesday, we had a very busy afternoon at the North Devon Athletics League, with continued success among our pupils and teams. It gives us a great sense of pride that our school leads the way in sport as well as examination results—there was a very full bus of more than 70 pupils pulling away from the College at 3pm on Wednesday afternoon. This equates to almost 10% of our school population. As ever, it was a late night for the PE team, and my thanks go to them for the time they give. We look forward to reading more about these successes in future editions of these pages.

Finally, if you know a young person in Year 5, they may well be excited about attending our Year 5 Taster events next week. We have had a great response to these sessions, which are designed to help pupils and parents make decisions about their secondary school application this October. The days are a real highlight of our school calendar, and I always enjoy seeing our current pupils involved in supporting them just as much as I enjoy meeting prospective pupils. Chulmleigh College remains a hugely popular school for families across our area and, with falling numbers of children in primary schools nationally, it may be easier to secure a place here than many people think. I look forward to sharing pictures from our Taster Days next week.

Mr Payne, Headteacher

French Exchange 2027

Open to current Year 8 and 9 pupils

We are delighted to announce that we now have a link with a school in Soissons, Picardy, and are planning an exciting French Exchange for 2027.

French pupils will visit us in March/April 2027 for a five-night stay, and our pupils will then travel to Soissons in May for a five-night stay. Exact dates are yet to be confirmed.

This is a fantastic opportunity to improve confidence in speaking French, experience everyday French culture, make new friends and create lasting memories. Pupils will benefit from practising their language skills in real-life situations while gaining independence and experiencing life in another country.

If you are interested, please see the letter shared via MyEd emails dated 9th March 2026 and complete and return the attached form to the Admin Office after the Easter break

Please email: ljohnson@chulmleigh.devon.sch.uk with any questions.

Chulmleigh FC U14s win the North Devon Youth Europa League!

Chulmleigh FC U14s won the North Devon Youth Europa League this year and celebrated at the end of season awards in Braunton where they proudly received the league shield. Several Chulmleigh pupils from Years 8 and 9 were part of the winning squad. Former Head Boy Dan Upright played a key role in the coaching team this season. Chulmleigh U15 Girls also received the Fair Play award at the ceremony which is testimony to their fantastic sporting attitude on and off the pitch. Y9 pupil Tia Snell received the award on the behalf of the girls' team.

Chulmleigh pupils pictured left to right with the U14 Europa League shield: Alfie Shaw, Danny Sidebotham, George Catling, Devlin Anderson, Sam Grech, Oscar Hall, Oli Upright, Jayden Saunders, Harvey Snell, Thomas Vowden. Not pictured: Bodhi Miller, Ben Palmer, Rory Hiscock, Finley Jones, Harrison Trelvellick.

Congratulations to everyone involved!

The **Chulmleigh PTFA** works hard to support our school community by raising funds throughout the year. From cake stalls to preloved uniform sales, there are plenty of fun ways to get involved. We'd love your help — many hands make light work! Come and chat with us at one of our events, drop into a meeting, or email ptfa@chulmleigh.devon.sch.uk to find out more.

 Champion!

MATHS PUZZLE OF THE WEEK

THE LARGEST NUMBER OF PEOPLE IS 13!

To maximise people, minimise what each person takes. The smallest possible amounts for k people are 1, 2, 3, ... k — adding up to $k(k+1) \div 2$.

- ✦ For 13 people: $13 \times 14 \div 2 = 91$ (less than 100 ✓)
- ✦ For 14 people: $14 \times 15 \div 2 = 105$ (more than 100 ✗)
- ✦ So 13 is the maximum number of people.
- ✦ Spare chocolates: $100 - 91 = 9$. Add 9 to the last person's share.

SOLUTION: 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 22.

DOJO SQUARE

36 people live in the eight houses. How many live in each one?

✦ Each house has a different number of people.

✦ Each line of three houses adds up to 15.

How many people live in each house?

Win £1,000 for your school's library

Nominate your school to #rebuildthelibrary with one of our five huge prizes. Plus, you could win a £100/€120 National Book Token for yourself!

As our friends at the charity Read for Good[®] will tell you, it's well established that reading for pleasure leads to significantly better outcomes for children – boosting academic performance, enhancing wellbeing, and fostering vital life skills like empathy.

But reading for pleasure is in decline. In 2025, just 1 in 3 children and young people aged 8 to 18 said they enjoy reading in their free time* – a sharp drop over the past two decades. At the same time, the work Read for Good[®] do in schools shows that many school libraries are underfunded, outdated, and filled with books that fail to engage today's readers. Children who rely most on school libraries are often those most likely to be missing out. It's time to #rebuildthelibrary.

Our annual prize draw is back to give five schools across the UK and Ireland the chance to win £1,000 in National Book Tokens and fill their shelves with new and inspiring books.

Nominate a school using the form below, and if yours is one of the five winning entries, you'll also win a £100 National Book Token to spend in your favourite bookshop.

Plus: to celebrate the UK's National Year of Reading, we're giving away even more prizes so that more schools – and more children – have a chance to enhance their libraries and Go All In on reading.

Each week until 24th June, we'll pick a flash winner – selected at random from all entries – to receive a £100 National Book Token for their school, and £25 for themselves! Keep an eye on our emails, and follow us on Facebook, to see who wins each week.

LAMDA

LAMDA is for any pupils with an interest in acting and the performing arts.

Lessons take place in pairs or as a solo with a professional actor.

LAMDA is the oldest drama school in the UK and their syllabus is designed to enhance and build confidence through theatre and performance skills, encouraging teamwork and creativity.

Pupils will work towards taking LAMDA performance examinations that are graded. The grades are recognised by Universities and Drama schools and provide UCAS points.

A 30 minute session is £18 or £9 for a duologue.

Please email: antoniawhittick1970@gmail.com with any questions.

School Lunches - Information for Pupils and Parents

- Should a pupil not have enough funds on their account, they should visit the Pupil Support Office before going to the canteen, where they should obtain a meal slip.
- Pupils are able to check their account balances using the machines located at the entrances to the canteen.
- All free school meal (FSM) pupils have accounts topped up daily with £2.61. This credit does not show when you check your balance on the fingerprint machines but will show up on the tills. If you have debt, this is on your personal account and not your FSM account and will need to be paid off by parents at some point. It does mean that all FSM pupils have £2.61 to spend every day whether their personal account is in debt or not.
- If pupils are not set up with fingerprint access, or if it is not working, please go to reception.
- We would also like to remind parents and carers that pupils eligible for free school meals may eat at both breaktime and lunchtime within their allowance. A breakfast option is available at breaktime (two slices of toast with a topping or a bowl of cereal) for 41p, leaving sufficient balance for a main meal, pasta dish, sandwich, or similar option at lunchtime.
- Parents may check which meals their children are purchasing by going to the MyEd app. Select accounts (bottom right of screen), select the month and then select the day of purchase that you want to check.
- The full menu and price list is available on the College website and in Optime.
- We kindly ask that you ensure your child's account is topped up regularly to avoid any inconvenience.
