16 October 2026

Dear Parents and Guardians

As we end the penultimate week of this half term, it is once again time to reflect on a busy week of activity at the College.

Pupils in Year 11 have been involved in their GCSE Food Preparation and Nutrition Non-Exam Assessments (NEAs) this week, which, once upon a time, we used to know simply as 'coursework'. The work pupils do for their NEAs contributes directly to their overall GCSE grade, and therefore the activities this week are just as important as their final examinations this summer. Well done to everyone involved, and thank you to Mrs Jones and her team for running the NEAs so seamlessly.

Elsewhere in the school, a number of our Year 10 pupils successfully completed the speaking assessment element of their Level 1 Functional Skills examinations. We also have a number of pupils working towards Level 2 Functional Skills in English to support their entry into further education at the end of Year 11. It is great to see the pride and sense of accomplishment these pupils have demonstrated this week. Again, our thanks go to Miss Hawkins and Mrs Fowler in the English department for all they have done.

Returning to Year 11, we welcomed colleagues from the Exeter and North Devon College group to our school this week to hold 1:1 interviews with our pupils about their further education. The meetings are designed to provide information, advice and guidance to our pupils in selecting the right courses when they apply for their Further Education College places. There is a real focus in PSHE lessons this term in ensuring that all our Year 11 pupils have clear plans for their education or training after leaving Chulmleigh and this support from our colleagues at Exeter and North Devon College is key.

At the time of writing, we have many pupils running cross-country races in Great Torrington as part of the Stevens Shield event. I am often reminded how far the reach of Chulmleigh goes and I know we have large numbers of pupils in all Northern Devon sporting events. I look forward to hearing how they get on. Parents and Guardians will be looking forward to all that muddy kit with delight I am sure – it is great to have so many pupils involved.

Parents and Guardians will be aware that all the schools in Chulmleigh Academy Trust have a non-pupil day on Friday 23rd October and although this makes next week a shorter one, lessons will be continuing in full until the end of Thursday 22nd – it is important that all pupils attend every day and on time as always.

I wish you all a restful weekend.

Mr Payne, Headteacher

And so it begins...! 35 walkers and 11 adults braved the warm breeze and gentle sunshine (plus a little bit of drizzle!) that Dartmoor had on offer on Sunday 11th October as we started our Dartmoor Discovery programme for 2026-2027. A brisk 13 mile walk, taking in a number of north moor tors, was a great introduction for the season, with all walkers finishing the route in good time and in great spirits. There will be sterner tests and more challenging weather to come of course, but this was a great start. Well done everyone, and thanks as always for to our wonderful adult team who kindly give up their time to allow all of this to happen.

Mr Foster, Teacher of PE / Outdoor Education Coordinator

Textiles - Recycle and Reuse

Year 11 pupils have been creating abstract compositions using recycled materials for their most recent coursework project. They have assembled fabrics, collage and found objects to produce these fantastic textile artworks. The pupils have done well to show technical skill, use colour effectively and make imaginative outcomes to their brief.

Here you can see work by Lara Crane, Neve Monument, Amelia Prince, Orla Wood, Kayla Narramore and Freya Mason.

Mr Tomlin, Teacher of Art

Exeter College Geography Essay Competition

Open to Year
10 and Year 11
students.

Write an essay from one of the
following titles:

1. "Climate change is the greatest geographical challenge facing young people today."
To what extent do you agree?
2. "Borders create more problems than they solve."
To what extent do you agree?
3. "Natural hazards only become disasters because of human decisions."
To what extent do you agree?

Entries will be judged
by a panel including
lecturers from Exeter
College and Exeter
University

Essays should be
around 800 words or
two sides of A4 if
written

Deadline: 5pm
Friday 23rd October 2026
Submissions emailed to:
ALevelGeography@exe-coll.ac.uk

Prizes to be
won!

North Devon Schools Cup League Round Two – Park School

Last week was another busy week for Chulmleigh College's football teams as all four year groups took their turn to face Park School, Barnstaple, widely regarded as one of the strongest footballing schools in North Devon. With plenty of competitive action across all four matches, our players once again showed great determination, teamwork and commitment.

Wednesday saw the Year 7 and Year 10 teams host their fixtures at home, while Thursday saw the Year 8 and Year 9 sides travel to Barnstaple for their away matches.

The Year 7 team battled hard throughout their match, showing clear improvement from their previous fixture. They worked tirelessly and created opportunities but were unfortunately denied a goal by some outstanding goalkeeping. The game finished in a 0-2 defeat, but there were plenty of positives to take from the performance. Charley Hiscock was deservedly named Player of the Match for his efforts.

The Year 10 team also faced a tough challenge, holding firm for large parts of the game against a physically strong and technically accomplished Park School side. Despite their best efforts, they found it difficult to match their opponents over the full 80 minutes, eventually losing 1-4. Jayden Heale-Smith scored Chulmleigh's goal, while Marshall Lill earned Player of the Match for his tenacious display in midfield.

The Year 8 team were involved in a closely contested encounter, with both sides creating chances and enjoying moments of good fortune along the way. The ever-reliable Jack Partridge, Chulmleigh's very own goal machine, found the net once again, but unfortunately his goal was not quite enough to secure a result, with the team narrowly losing 1-2. Stan Hawkins was named Player of the Match for his performance.

The Year 9 team knew they were in for a real battle, facing the same Park School side they had beaten in last year's final. The boys rose to the occasion brilliantly, with every player stepping up to win individual battles and cover for teammates whenever needed. Captain Elliot Defew opened the scoring, and his goal looked as though it might be enough to secure the victory. However, Park School found an equaliser late in the second half, setting up a tense finish.

From that point onwards, both teams pushed hard for a winner, with the goalkeepers called upon to produce some outstanding saves. George Dumbleton was particularly impressive, at one stage earning a round of applause from the referee for a sublime save! Despite both sides searching for a decisive second goal, neither could find a breakthrough, and the match finished 1-1. Charlie Perry was awarded Player of the Match for an outstanding defensive display. The result leaves the Year 9 boys top of the league with their final group fixture against GTS coming before half-term. It promises to be an exciting conclusion to the group stage!

Well played to all four teams for representing Chulmleigh College so positively against very strong opposition. The effort, resilience and teamwork shown across all year groups have been excellent. Keep training hard as we look forward to the final group matches against Great Torrington before half-term!

*Mr Harrison,
Teacher of Physical Education*

Year 10 Football: A Performance to Remember!

Year 10 produced their performance of the season so far with an outstanding display against Great Torrington School, showing fantastic determination, teamwork and commitment from the first minute to the last. A few personnel changes were required for this match, with Jack Whiteside stepping up between the posts and Sam Grech moving into the striker role. Both the tactical adjustments and the team's attitude paid dividends, with the boys working tirelessly both on and, in particular, off the ball. Their relentless pressing and closing down made life extremely difficult for GTS, who struggled to match Year 10's energy and organisation.

The goals were a real highlight! Sam Grech opened the scoring before Ben Palmer produced a moment of individual brilliance, dribbling past several opponents before calmly slotting the ball home off the post to spark wild celebrations. Jayden Heale Smith then got on the scoresheet with his second goal of the season, while Sam rounded off an excellent performance by grabbing his second of the match.

What was particularly pleasing was how well the boys listened to the advice given and stuck to the game plan. Their discipline, work rate and willingness to work for one another were evident throughout, with the team producing their most complete performance of the season to date.

Player of the Match: Ben Palmer. Ben was outstanding at both ends of the pitch, combining excellent defensive work with a superb individual goal. Special mentions must also go to Finley Jones and Dev Anderson, who marshalled the defence brilliantly and helped restrict GTS to hardly a shot on goal all game. A fantastic team effort!

This result puts Year 10 in an excellent position heading into the semi-final matches after half-term. If the boys can carry this level of performance, teamwork and determination into the next round, they will be a real force to be reckoned with.

Well played, boys – onwards and upwards!

Mr Harrison, Teacher of Physical Education

Chulmleigh U14 Netball Squad Finish Fourth at North Devon Tournament

The Chulmleigh U14 netball squad enjoyed a challenging but rewarding day at the North Devon U14 Netball Tournament, hosted by Park School, where nine schools competed for the title.

The tournament got off to a disappointing start for Chulmleigh, who found themselves 4-0 down at half-time against Park. Despite a determined second-half performance, neither team managed to score again, leaving Chulmleigh with a 4-0 defeat against a side they would usually expect to beat.

The squad showed great resilience to bounce back in their next match, securing an impressive 5-5 draw against eventual tournament winners West Buckland. However, a difficult game against Braunton followed, resulting in a 9-1 defeat. Chulmleigh then had to dig deep to edge past Shebbear in a closely contested 5-4 victory.

From that point onwards, the team grew in confidence and improved their performance, finishing the tournament in excellent form. They secured wins against Pilton (6-4), Kingsley (7-5) and GTS, whom they defeated emphatically 12-2.

Their strong finish saw Chulmleigh claim fourth place overall, just two points behind third-placed Park – the very team they had faced in their opening match! It was a fantastic turnaround and a testament to the squad's determination, teamwork and ability to learn and improve throughout the day.

The squad should be incredibly proud of their efforts. They demonstrated resilience after a difficult start, continued to work hard for one another and finished the tournament playing some excellent netball.

The team consisted of captain Alice Buck, Serafina Dillon, Ava Pring, Lilia Casavieille-Lacaze, Megan Jones, Holly Knight, Claire-Louise Halsey, Penny Snell, Laylah Hale-Sanders and Amelia Webber.

Well done to the whole squad! Finishing fourth out of nine schools is a fantastic achievement, and the way the team responded to early setbacks was particularly pleasing. They can take plenty of confidence from their performances and look forward to building on this success.

Mrs Markham, Head of Physical Education

UKMT Success!

Well done to Amelie Griffiths and Jasmine Lomax for taking part in the UKMT Girls' Olympiad! This is a challenging mathematical competition that encourages pupils to tackle advanced complex problems, think creatively and apply their problem-solving skills in new and unfamiliar ways. We are incredibly proud of the girls for embracing this challenge, demonstrating determination and mathematical resilience, and representing our school so brilliantly. Well done, girls!

A huge well done to Alice Miners, Esther Payne and Florrie Payne for taking part in the UKMT Girls' Mathematical Challenge! This competition encourages pupils to use logical thinking, mathematical reasoning and problem-solving skills to tackle a range of engaging multiple-choice questions. Unlike the Girls' Olympiad, which focuses on more extended problems requiring detailed mathematical solutions, the Girls' Mathematical Challenge tests pupils' ability to spot patterns, think creatively and find clever solutions under time pressure. We are very proud of the girls for taking part and challenging themselves mathematically. Well done!

Mrs O'Callaghan, Teacher of Mathematics

Golden Achievements, Giving Back: Darcy's Christmas Toy Appeal

On Sunday 11th October, Darcy O'Callaghan completed his Level 3 Junior Instructor Training in Martial Arts and has already embarked on his Level 4. Darcy is a Black Belt martial artist and a British and International Gold medallist. He will be competing in Australia next year in the 2027 International Championships.

Darcy also began learning Karate in February this year and, just two weeks ago, competed in the Welsh Open Karate Championship, winning two gold medals and a silver medal. He has two more competitions coming up over the next few weeks.

As part of his Junior Instructor training, Darcy must complete a Community Challenge. His previous community challenges have included collecting over 100 Easter eggs for the Foodbank, planting trees in Hungary, and improving the gardens and grounds at the Family Compass Centre in Barnstaple.

For his Level 4 challenge, Darcy is collecting new and unused toys for the North Devon Against Domestic Abuse (NDADA) Christmas Toy Appeal. Please could you support Darcy and NDADA by donating new, unused toys that are still in their original packaging by 31st October. Donations can be handed in to Mr Finlay's room.

If you are interested in taking up martial arts, Darcy trains at the following clubs:

- MF Martial Arts, which holds classes in Barnstaple, South Molton, Torrington, Bideford and Ilfracombe.
- Union Do Karate, which holds classes in Barnstaple and Braunton.

Share Your Memories of Chulmleigh College

As we approach our 90th Anniversary in September 2027, we are gathering memories, stories and photographs from former pupils, staff and friends of the school. We would love to hear from everyone who has been part of Chulmleigh College's story.

Do you remember:

- Favourite teachers or members of staff?
- Lifelong friendships that began at school?
- School trips, productions or sporting events?
- Funny anecdotes and memorable moments?
- Achievements, traditions and special occasions?
- Photographs, documents or memorabilia?

Whether your memories are from the 1940s or the 2020s, every story helps us build a picture of school life through the decades.

Selected contributions may be included in our 90th Anniversary commemorative book.

Please send your memories, photographs and contact details to:

Marketing Department,
Chulmleigh College,
Beacon Rd,
Chulmleigh,

LAMDA

LAMDA is for any pupils with an interest in acting and the performing arts.

Lessons take place in pairs or as a solo with a professional actor.

LAMDA is the oldest drama school in the UK and their syllabus is designed to enhance and build confidence through theatre and performance skills, encouraging teamwork and creativity.

Pupils will work towards taking LAMDA performance examinations that are graded. The grades are recognised by Universities and Drama schools and provide UCAS points.

A 30 minute session is £18 or £9 for a duologue.

Please email: antoniawhittick1970@gmail.com with any questions.

Advice and guidance

To find out more, visit www.gov.uk/government/publications/health-protection-in-schools-and-other-childcare-facilities or bit.ly/2x1jpPZ.

Should I keep my child off school?

Yes

Until...

Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like illness (including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

No

but make sure you let their school or nursery know about...

Hand, foot and mouth	Glandular fever
Head lice	Tonsillitis
Threadworms	Slapped cheek
