

Free Audio books that are on the AR system

Due to the schools being shut, Audible have very kindly released a range of audio books for free. To access these, please use the following website:

<https://stories.audible.com/start-listen>

It is important to note that some of these books are not on the AR scheme. However, many of them are, some of which have been included below. It is acceptable for pupils to listen to the audiobooks and then quiz them (they do not have to read along if they do not have access to a copy of the book).

The book levels and book points have been included in the list below. If pupils like the look of a book, but it is above their AR level, it is worth giving it a go, because listening to a book being read will help a lot of students reach the higher levels.

I would encourage all pupils to look at the website and give some of the books a go.

*** Pupils should also feel free to listen to some books that are not on the AR scheme. There are some really fantastic books here, so if you fancy it, give it a go.

Thirteen books that are on Audible and also on the AR scheme
